14. To improve timing for appointments
15. Get to know the names of patients it is friendlier and more caring to make the effort to show that have taken the time to do this

The common theme from the meeting was regarding the appointment system

- ✓ SP explained that the GP's were aware of capacity versus demand and went onto explain how the telephone triage system worked for urgent requests where a patient may ring the practice at 9am on the day of their urgent problem, the receptionist will take the patient details and a brief nature of the problem and the GP will triage and act upon the patient's problem
- ✓ Dr SS and SP explained the 7 day service where patients can access a GP 7 days per week using 'GP Hub' where DR KS'S practice staff can pre book appointments using other GP extended hours services in the local area.
- ✓ SP explained phlebotomy services were routinely provided
- ✓ Capacity could also be met using the Practice Website: www.malzeardroadmedicalcentre.nhs.uk

At the end of the meeting the following **actions** were agreed:

- ✓ To survey patients who did not attend/cancel appointments
- ✓ To advertise promotion for patients to participate
- ✓ To send SMS messages/reminders to patients for invites as they feel this way is easier

Next Meeting Topic: Feedback on above actions
